

SAS/D

Hose connection set

Measuring size: -

Output: -

Highlights: PVC, silicone, plastic-/ metal pipes

Description

Hose connection set for pressure transducers and pressure switches.

Technical Specifications

--	--

Variants

Article Number	Description
6550	hose connection set with 2 m PVC-hose, 2 metal tubes 90° and 2 rubber gromet
6551	1 x connecting pipe plastic
6555	hose connection set with 2 m PVC-hose, 2 plastic pipes and 4 fixing screws
6556	hose connection set with 2 m silicone-hose, 2 metal tubes 90° and 2 rubber gromet
6557	hose connection set with 2 m silicone-hose, 2 plastic pipes and 4 fixing screws
SAS/D-1	hose connection set, with 2 m PVC-hose, 2 plastic pipes and 4 fixing screws
SAS/D-5	PVC-hose 7mm / 5 mm (sold by the metre)

Accessories

DG/H
Pressure Transducer for Differential Pressure

DMU/A
Pressure transducer for pressure difference and volume flow, active output (0-10 V or 4-20 mA)

DW/H
Pressure Switch for Non-aggressive Gases, mechanical
